**Presenters Qualifications:** **Liesel Stephens**, MT-BC, CIMT, is a board-certified music therapist at Children’s Mercy Hospital. For the last 15 years, she has been honored to work with patients and families on the hematology/oncology, pediatric intensive care, neonatal intensive care, and burn units. Liesel received her music therapy and music education degrees from Phillips University in Enid, OK and did graduate work at The University of Kansas. She has specialized training in neonatal music therapy as well as certification to teach infant massage.

**Shelbi Polasik** began working at Children’s Mercy Kansas City in March of this year, having completed her internship at the same institution two years prior. She recently completed her Masters of Music Education- Music Therapy at the University of Kansas and is thrilled to be back in the field working with the inpatient Rehabilitation Services team and the Outpatient Rehabilitation Clinic.

**Kim Robertson** is the manager for the Music Therapy and Hospital Based School programs and internship director for Children’s Mercy Kansas City. She has over 30 years’ experience in behavioral health and the pediatric medical setting, providing group and individual music therapy services to all ages from infants to older adults.

**Ashley Scheufler**, MME, MT-BC, is a music therapist at Children’s Mercy Hospital. Over the past 10 years, Ashley has worked with children on the pulmonary, cardiac and dialysis units, and specializes in youth with chronic pain. Ashley enjoys being involved in research initiatives at the hospital and playing in a hospital employee band
